"Football Screensaver" License Information "Football Screensaver" is licensed as freeware. Author : Rich Warrington is a software developer living in Devon UK. He started working with computers in 1994, and has been using computers for the majority of his working life. Nowadays he works on a wide variety of projects, most of which involve writing software or manipulating some sort of database. His interests include everything from Joomla to football. He loves to write about how to get things done with php, and is really good at writing cool flash banner. He has written games for a fair few years, but the last one that I can remember writing was a roguelike for a competition. When he is not writing code or talking about his writing code, he is probably watching football or reading a book. He will often find himself in the thick of a debate about football on BBC radio. If you want to chat with him or to play a game with him, feel free to visit his website www.richwarrington.co.uk Author : David Neubauer is a freelance writer and developer from Philadelphia, USA. He was a web application developer and consultant from 1999 to 2006. He now writes articles for O'Reilly Media, writes a weekly column for GoingNative and has co-authored a book, Building Scalable Web Applications, published by New Riders Press. He can be contacted at dneubauer@oreilly.com Author : Johnny Dhury is a Software Developer from USA. He writes software reviews, security news, and tutorials for IT professionals. His love for technology started when he was in middle school and played with his first personal computer. He has worked with all types of platforms
