**“As the story continues with more adventure and excitement, I can’t wait to get further into the game. I really like how easily accessible you can adjust the difficulty as well.” — GAMEBOOST “Elden Ring is a very dynamic game and this is great if you are new to the PS4.” — “I really like the game’s graphics, it’s colorful and great for fans of the game. It’s a great value for money when compared to its price.” — PLAY.IT “I highly recommend this game to anyone who likes RPG’s.” — “The game has a nice storyline where you can start playing without waiting for much to happen. I found that the game was easy to understand. There was a great story as well, the game was easy to understand and I really liked the experience. “ — “Elden Ring is an easy game to play but it was a bit repetitive and I wanted more action in it. The story did help to make it fun but the game had a lot of dull areas and I didn’t understand the story very well.” — “The storyline is the best part about the game. I really enjoyed the game and found it a lot of fun.” — KOTAKU1.**

**Field of the Invention** The present invention is directed to a vacuum pump apparatus, and more particularly, to an apparatus adapted to drive a rotary vane vacuum pump.

**2. Description of the Prior Art** There are a number of types of vane pumps, including rotary vane pumps, multi-stage vane pumps, and centrifugal vane pumps. For example, a vane pump is formed with a rotor fixedly mounted within a housing, and vanes slidably and rotatably

**of monster monster. BAYONETTA FANTASY ACTION RPG Reborn from the ashes of Erikson! By taking the gameplay mechanics of On the surface, the story of Bayonetta is a tale of revenge and retribution. It is a violent, action-packed experience. But in the heart of the game lies a deep meaning with a powerful intention. SPOILER: The game's main character is Bayonetta (ex) from the action RPG Erikson, She was a princess in the powerful Witches clan, who was able to transform into an angel named Hairia. After the destruction of the Witches clan, Hairia was left alone to fend for herself. Bayonetta, the former Hairia, trained and became a Demon Hunter to be used to destroy the Demon Queen, Bayonetta, as vengeance. When a person is a Demon Hunter, they can merge their physical body with the angelic body, called Hairia, in a state called Hairitual. Doing so can affect their consciousness and powers, as well as providing many spells. However, after the ritual, an angel must pass down various items in the Hairial case in order to be restored to a normal state. Although Hairial is a powerful angel, she is completely unable to control her powers. In order to obtain such items, she is forced to fight endless battles and purify dangerous monsters. After countless battles, Bayonetta obtains**
