Sick of watching your food get soaked in pizza sauce? Grow your food and prepare it in a variety of ways. Learn the many ways to make pizza in Spore - 3: Sporepedia! Take Spore to the next level - whether you're a seasoned expert, or just beginning to get your feet wet, there's something here for everyone. Explore 3 new environments, 10 new creatures, and an assortment of new goodies. Also, unlock a Ziggurat Mode on a two player split screen. Share your creations and embark on the voyage of your great-great-grandchildren's children. Orc Tower: You've taken control of a Nubian Queens' Guard or a Nazgul. Long separated from their home kingdoms, these tough, sharp-fisted warriors are recruited by the Orc Tower and it's old leader, the great Boromir. You must escort the young queens on a journey of their own. Dark Tunnels: Take on the role of a bored Dwarf Muffin, exploring the Dark Tunnels and searching for rare treasure. Not only is this a great way to get exercise, it's a really fun game. You can even save your Muffins favorite secret spots, and return later to claim your riches! Strider: Take on the role of a Splicer, a technology-advanced humanoid which can climb ladders and swing from ropes. What would you do with

---

a giant ax? However, be wary as there are many enemies that hate and fear you! Fight back with your physical and mental powers. How to Play: The game is broken into 5 worlds. World 1: Patch World - The home of the Queen of the Sporeans, she provides a magical barrier between the sun and the Sporeans. Now the Sporeans' living spaces extend even further underground. World 2: Sea World - Surrounded by the waters of the mighty ocean, the Sporeans have created a sea world with innumerable secrets to discover. World 3: Jungle World - The most thriving of the three new environments, the Sporeans have created a jungle world unlike any other. With its vast and flourishing jungle environment, you can either wander the jungle alone or take on the jungle in your airship. World 4: Crypt of the Necroids - In a cavernous, underground place that is "connected" to the world of the Sporeans, a Necroids Army has been formed. However, before you can complete your quest

NEW DELHI: Delhi to Goa rail journey, used to be a travel time of 3 hours when the Konkan Railway, now connects 19 of 21 towns in the state in just two and a half hours. The seven hour journey from Delhi to Goa has now reduced to just 2 hours on the new Konkan Railway between Chikhali and Mapusa. The trains are scheduled to start operating from next month. "We have taken about 120 trains to Mumbai in the last one year and received about 50,000 booking inquiries from Delhi, Mumbai, Bengaluru and other

---

cities. It is safe to say that there is a substantial increase in the travel time between Delhi and Goa," said the Railway Ministry's Assistant Project Director (APDP), railways, Kalpana Jena. "There have been no accidents and all the 18 tracks have been electrified and brought under the government's control. Eleven stations have been developed, all green signals are operational and the gauge conversion and construction of a new tracks has been completed to connect Chikhali to Mapusa. We are in the process of developing the remaining eight stations and all the other facilities required for passenger traffic," Jena added. "If you look at any major high-speed rail corridor, it would be anywhere between 16 and 20 stations. By the end of this year, two more stations will be connected. One will be at Shirdi and the other at Virar," he said. Railway officials said that the Konkan Railway has not only slashed the journey time but also led to a steep reduction in the train fares. "We have not only taken the journey d41b202975

### **VOLUME 2: ROMANCE AT THE READERS' ROOM, MIRRORCASTS**

**08-07-2017, 04:52 PM** Blue Lantern Press and myself have been at a great length discussing the plans for our next Scarlet Nexus. This has now been made clear, however, there's still a bit to go. If you have messages or ideas for this series, message me through the iMortal.net site. **08-07-2017, 06:22 PM** Get caught up with the tale! Place the order to read the four issues from your local comic book store and be among the firsts to get them when they hit shelves! Scarlet Nexus is on a short hiatus, but won't be gone for too long! **08-07-2017, 06:31 PM** NEWS! All four issues of Scarlet Nexus have gone to print! The stellar fantasy novels that make up the series have been advertised and have reached their eagerly anticipated print/book screen reads status. The book is now available at your local comic and book shop, as well as through your preferred online vendor. **08-07-2017, 07:40 PM** YES! and YES! And YES! Until we start getting more comic news, SHAMELESSLY BEHOLD I HAVE OFFICIALLY CHEATED ON BOTB. I AM PASSING THE COTTON AND I AM EATING THE WAX CANDLES. I AM THE DEVIL AND I AM IN HELL. @IpadScribe @SKADHAR Just know that I have placed an order for all four issues. And at my shop I have pre-ordered (as well as my brother) for the first three issues. Which is good as those are my prep-issues. When issue three releases, I will purchase the fourth issue on spec. I feel confident the retailers should order issues 1-4 by turn. I also intend to put the PDF on amazon. And with any luck, I may even be able to make issues 1-4 available to pre-order directly through them when they are ready. Take your time and enjoy your vacation. It's a journey **08-07-2017, 08:20 PM** Scarlet Nexus is back, and just in time for the long awaited Summer movie season! We continue here with ITA! volume 2! **08-07-2017, 08:22**
