The Elden Ring is the legendary power of the Elden race. All mankind is comprised of Elden and the lands of the Elden Ring to which they belong. The power of the Elden Ring lay dormant in all men, waiting for a day of legend, when it would be awakened by a man who was capable of wielding the power of the Elden Ring to grasp Elden sovereignty. Thus, to become a true Elden Lord, you must rise from the ashes of your past life and embark upon a journey, into the Lands Between, to claim your throne as a true Elden Lord. Game Information • Characters ◆ Character Class Choose from 3 different classes, each with their own unique characteristics. Choose your character Skills RISE: Attack, Weapon Attack, Magic Shield Defense Judgement +END+ Build Your Character The player can freely modify his or her character's appearance and inventory. Rise -Increase the strength of the character by taking the action for a fixed period of time. Skills with "Rise" that can boost the strength of the character can be used in combination with other skills. Shield - The character's Defense stat increases. If you have high Defense, you will be less likely to take damage from the enemy. Attack - The character's base strength increases. There are four attacks, a normal attack, a critical hit attack, and three attacks that use the "T" key, for example, "T1, T3, T4". With their use, you can perform special attacks that increase the damage dealt with four times. Defense - The character's Defense stat increases. If you have high Defense, you will be less likely to take damage from the enemy. Judgement - The character's Awareness stat increases. It can be used when the character makes a judgement or in battles. For example, when the character makes a

judgement on an enemy, in addition to paying attention to its own direction, it will also determine whether the enemy is high level or low level. +END+ Change Your Character's Style You can freely control the character's appearance, such as the appearance of the character's hair. You can also freely choose your weapons, armor, and magic. Loco Theme: Loco: Drive the Magic Eye Go away from the tension of the battle by having the character wear the bright and stylish Loco clothes. Loco: Battle Axe Show off the character's high level by wielding a blunt weapon. Loco: Emblem Use the character's emblem to show the strength of the character. Loco: Power Belt Use the character's belt to show the strength of the character. Battle Axe Level A blunt weapon that you can change the appearance of the weapon. There are three types of weapons, Light, Medium, and Heavy weapons. Depending on the difference in the strength of the weapon, you can be able to attack with your character with strength to a different degree. Note: You can
