I am wondering which one I should install for my Ubuntu. My compiz is

broken and it seems like Beryl has a better interface. A: Beryl was the original successor to Compiz. In 2010 it was merged back into Compiz. Beryl is based on the now deprecated older Compiz code, and is no longer maintained. On the other hand Compiz started from scratch and runs on a modern code base.

2015–16 SPHL season The 2015–16 Southern Professional Hockey League season is the 13th season of the SPHL. The regular season was split into two halves, with the Eastern Conference teams playing a home and away schedule against each other, and the Western Conference teams playing a home and away schedule with a divisional crossover. Each team played 36 games. The top four teams in each division make the playoffs, then the division winners play a best-of-seven series for the league championship. Team changes The Wichita Thunder franchise will cease operations after playing as an independent team the last two seasons.
